Taken on:

PLEASE NOTE

- The stud retains the right to call upon veterinary assistance at the discretion of the management and all costs will be charged to the owner.
- Every care will be taken whilst your mare and or foal are in our charge but no responsibility shall be taken for accident, theft or disease howsoever caused. It may be necessary at times for a mare to be sedated by a senior member of staff for the safety of the horse and staff. This procedure will be at the owner's risk. Owners accept that liability for all claims; damages, costs, loss and expense of any kind whatsoever are hereby expressly excluded.

DECLARATION

I hereby declare that to the best of my knowledge the above mentioned mare and / or foal is not suffering from any contagious disease likely to be a risk to the stallions, mares or foals at Tweenhills.

No EHV-1 virus abortions, cases of Strangles, stillbirths or relevant contagious diseases (e.g. EVA, EIA, CEM, Influenza, Salmonellosis, Dourine etc.) have occurred within the last six months, nor are any such cases currently under investigation other than those who have received total clearance from the appropriate authorities.

Signed Name Date

Position On behalf of

Copies of all international travel documents should accompany the mare when visiting the stud.

The declaration must accompany the mare at the time of covering for each individual service or preferably to be lodged at the Stud Office before the Mare will be accepted at each individual service.
